We provide expert advisory and consultation services in Natural Resources Management, Climate Change Services, Compliance Management & Reporting, and Finance.

Please visit our website www.everainglobal.com for further information.

The Job

Are you interested in an opportunity at a young and dynamic company in a start-up like environment? At Everain, you have to do perform technical as well as administrative activities included, but not limited to, following attributes:

- Conducting targeted, project-based research and analysis related to our services,
- Directly interact with clients through telephones, emails, face-to face meetings to offer services of their interest.
- Write blogs, newsletters and white papers in our service domain
- Maintain, update and participate on relevant conferences, events, tenders etc.
- Any other responsibility related to the works

Travel: The position involves travelling and long stays depending on the nature of work. The incumbent may need to travel on short notices as well.

Required Experience, Skills and Qualifications

You will have:

- Excellent problem-solving, analytical, and quantitative skills
- Experience collecting, analyzing, and synthesizing data to achieve business objectives
- Proficiency in Excel, Power point, Google Spreadsheets etc
- Experience multitasking and working independently with minimal direction
- Exceptionally strong written and verbal communication skills
- Master's degree/PGDBM in Environment, Forestry or a related field. If you think you're exceptionally good for this position and perform in a new domain, a Master's degree in any specialisation would also apply.

Your Experience

0-2 Year (*Freshers are encouraged to apply*)

Ideal candidates for the position will have an inquisitive, investigative nature and interest in drafting business strategy. They will also be excited about a fast-paced, rapidly changing startup environment where work can sometimes be required at off hours or work from home.

Salary: As per the industry standards

How to apply: Email your one-page write-up in your own words about your suitability in the position and salary expectation along with your CV (not more than two pages) to **info@everainglobal.com** , cc to **sanjana@everainglobal.com**
